PRESS RELEASE

FOR IMMEDIATE RELEASE:

**SolCool One, LLC Ships First Millennia
By Senergy Cooling Systems**

October 10, 2007, *Redlands, California* - SolCool One, LLC and Senergy Cooling Systems shipped the first Millennia branded split system to its eco-resort customer in Thailand. The all DC ductless split air conditioning system will be integrated into all the resort's uniquely designed eco-conscious suites.

SolCool One, LLC's distribution agreement with Senergy Cooling Systems of Israel resulted after terminating its relationship with GPM, Inc. / Aquacell Technologies in July of this year.

"We are looking and moving forward to delivering the two, three, and five ton Millennia systems manufactured by Senergy over the next twelve months to the thousands of global inquiries we have and continue to receive," said Clifford Sutton, SolCool One, LLC's Vice President of Global Sales and Marketing.

SolCool One, LLC is a global factory-direct distributor of energy saving and energy producing sustainable products. For more information, go to www.solcool.net or email info@solcool.net.
